I am **Shashi Ranjan Kumar**, a passionate and dedicated Computer Science Engineering student currently pursuing my **B.Tech** degree at **Chaibasa Engineering College**. With a strong foundation in programming, problem-solving, and emerging technologies, I am eager to apply my skills in real-world projects and gain hands-on experience through internships. I am particularly interested in areas like web development, software engineering, and data structures, and I am committed to continuous learning and professional growth.
